i. The price bid (BOQ) should be quoted for "**Annually** " consolidated lease amount for the entire Ice Plant including the building structure, machinery and equipment in the premises and should remain valid for acceptance by the inviting authority for a period of 180 days from the date of opening of the tender.

ii. The quoted rate should be above the upset price excluding GST. The bids having the quoted price below the upset price will be totally rejected and the EMD shall be forfeited.

iii. The bid value excluding applicable taxes will be considered for evaluation of the financial bid.

iv. Solvency Certificate should have validity during the tender period and shall remain valid throughout the lease period.

v. Encumbrance Certificate on the assets for which solvency certificate is issued should be obtained not earlier than ten (10) days prior to the date of closing tender.

vi. The Registered Fishermen Cooperative Societies and the Government undertakings are exempted from furnishing Solvency Certificate. However, they should enclose a copy of Resolution passed by the General Body to participate in this tender along with, authenticated copy of the latest balance sheet, audit report for last 3 years, Certificate of Income Tax Clearance / Copies of IT returns filed in the Income Tax Department for the last 3 continuous years. The FCS / Government undertaking shall participate in tender process on equal footing without any preferential treatment in respect of lease amount.

D. Lease period

The Lease period is three (3) years from the date of execution of the agreement and the Successful Bidder will be authorized to utilise the facility at their accepted rate (plus GST as applicable) for a period of three (3) years, subject to the conditions that the Annual lease amount and other charges are paid in advance for each year before the due date.

E. Security Deposit:

i. The Successful Bidder will have to provide Security deposit at 5% of the annual lease amount finalized during the price bid before execution of the Lease Agreement by way of demand draft drawn in favour of the Managing Director, Tamil Nadu State Apex Fisheries Cooperative Federation Limited, Chennai-35 payable at Chennai.

ii. The Earnest Money Deposit (EMD) remitted by the Successful Bidder shall be adjusted towards the Security Deposit payable under the terms of the tender. The Security Deposit shall be retained by TAFCOFED until it becomes refundable to the Successful Bidder and shall not carry any interest during the period of such retention.

iii. The Successful Bidder shall have to pay the lease amount for subsequent years with 10% increase prior 2 months in advance on completion of the preceding lease year along with other applicable taxes & maintenance charges etc.

iv. If the Successful Bidder fails to pay the amount in due date, one week's notice will be given to Successful Bidder to pay the lease amount. Payment in installment will not be accepted.

v. In case of failure to pay the lease amount even after the notice period of one week, the Managing Director, TAFCOFED has the right to cancel the tender and may call for fresh tender for the subsequent years. In such cases, Security Deposit will be forfeited.

F. Maintenance charges

i. The successful Bidder has to remit 2% of the annual lease value along with the annual lease amount in advance, which is non-refundable.

ii. If the Successful Bidder fails to pay all the amount payable within the stipulated period, the earnest money and any other sum paid/deposited by the Successful Bidder shall be forfeited without further notice and without prejudice to any other rights of action by TAFCOFED.

iii. In the event of such default, TAFCOFED shall be at liberty to lease out the plant to any other party. All losses, shortfalls, damages, costs and expenses arising out of or incidental to such re-leasing shall be borne and paid by the Successful Bidder.

G. General conditions

1. The Successful Bidder should take over the Ice Plant immediately upon execution of the Lease Agreement and ensure its proper operation. The lease agreement should be registered by the Successful Bidder at his own cost within 15 days time from the date of execution of the lease agreement.
2. TAFCOFED shall have the right to cancel the Lease agreement without any notice and proceed with the action deemed suitable including legal action. In the event of cancellation of the lease agreement due to depend on the part of the Bidder further course of action shall be initiated regarding the operation of the plant including re-Tender or otherwise shall be sole discretion of the Managing Director, TAFCOFED.
3. The Successful Bidder shall pay the annual lease amount, applicable GST and maintenance charges by Demand Draft, **two months in advance, before the commencement of each lease year and upon completion of the preceding lease year**. In the event of failure to make such payment within the stipulated period, TAFCOFED shall be at liberty to take such action as may be deemed appropriate in accordance with the terms and conditions of the Agreement and applicable law.
4. No right shall be granted for construction of any permanent structure or alter the existing structure, removal of any items including machinery and equipment within the premises or out of the premises without any written

consent of TAFCOFED Breach on any one or all of the condition as mentioned above, TAFCOFED will be at liberty to terminate the lease agreement without any notice.

5. The Successful Bidder should obtain prior written permission from TAFCOFED for any temporary partition or minor alterations within the buildings and premises. However, the discretion of TAFCOFED will be final. TAFCOFED shall in no way be responsible to pay any damages caused by the Successful Bidder men or materials, etc.
6. It is the responsibility of the Successful Bidder to have insurance coverage towards the Machineries buildings, equipment leased out and for the staff during lease period and the copy of the Insurance policy should be submitted to TAFCOFED before the commencement of ice plant operation.
7. The building, furniture and other machinery licensed shall be insured against fire, rioting and other possible losses and the insurance policy be taken and the insurance premium be borne by Successful Bidder.
8. The Successful Bidder shall be solely responsible for payment of any compensation to the public/ employee their relatives in the event of any if any accident at its own cost. For any damages to the infrastructure and machinery, the Successful Bidder should pay the eligible compensation to TAFCOFED.
9. It is the sole responsibility of the Successful Bidder for obtaining all statutory permissions/clearances/approvals required for operation of Ice Plant. The quality of the ice produced from this Plant should be on par with standards prescribed by Government norms and in no way TAFCOFED will be responsible for any rejection, quality complaints etc.
10. The buildings, equipment, plant and machinery etc. leased to Successful Bidder shall not be used for any illegal/unlawful/prohibited activities other than the purpose for which it is leased / provided. If the Successful Bidder is found to indulge in illegal activity, theft of electricity and diverting the business as specified in Lease agreement terms and conditions, TAFCOFED will be at liberty to terminate the Lease agreement without any notice.

11. The Lease Agreement may be terminated by either party, on valid and reasonable grounds, by giving **three months' prior written notice** to the other party, subject to the terms and conditions of the Agreement.
12. This Tender Document, all enclosures submitted by the bidder, all communications, the inventory list and the details of the buildings shall form an integral part of the Lease Agreement.
13. The Successful Bidder shall be responsible for the upkeep, maintenance of the building and equipment and payment of all bills during the lease period and to hand over all the items in good working condition to TAFCOFED on the expiry or the termination of the lease agreement.
14. TAFCOFED shall hand over the Ice plant to Successful Bidder with the facilities only upon executing, registering the lease agreement and receiving the Security Deposit.
15. The Successful Bidder shall take over the plant with machinery and equipment on "as is where is condition" from TAFCOFED, and hand over the machinery in good and working condition while termination of the lease agreement.
16. All preventive maintenance to the plant and machinery shall be carried out by Successful Bidder at his own cost during the lease period.
17. All costs towards other repairs and maintenance of the structure, machinery and equipment and cost of spare parts shall be borne by the Successful Bidder after taking over the plant from TAFCOFED. The Successful Bidder shall arrange for the repairs, maintenance and procurement of spare parts for the up-keeping of the plant to the entire satisfaction of the officials of TAFCOFED. The replacement of any parts of the machinery and equipment shall be made only with the written permission from TAFCOFED at his own cost and the damaged machines/equipment/part of Machineries or dismantled material shall remain the property of TAFCOFED.
18. The Policy Framework for the functioning of the Ice Plant at TAFCOFED premises, placed at Annexure-III, shall form part of the Lease Agreement and shall be binding on the Successful Bidder.

19. All communications during the bid process shall be made only through the e-procurement website. No separate communication will be sent to individual bidders. Bidders are advised to check the website regularly.
20. On completion of the lease period or on termination, the TAFCOFED reserves the right to take over the possession of the Ice Plant without any notice and the lessee is liable to indemnify the necessary incidental expenses / charges incurred if any.
21. No refund, rebate, remission or reduction in the lease amount shall be entertained or allowed under any circumstances due to natural calamities or any other unforeseen circumstances arising due to causes beyond the control of the parties.
22. No extension of time will be given to compensate the non-functional of the Ice plant for the reason whatsoever.

H. Force Majeure:

i. Force Majeure Event shall mean any Events or circumstance or a combination of events and circumstances set out hereunder, which materially and adversely affect the Lessee or the Authority claiming Force Majeure ("Affected Party") from performing its obligations in whole or in part under the lease and which is/are beyond the reasonable control of the Affected Party and which the Affected Party could not have prevented by the exercise of reasonable skill and care and which (or the consequence of which) materially and adversely affects the performance by the Affected Party, of its obligations under the lease in whole or in part:

a) Acts of God or events, such as storm, cyclone, earth-quake hurricane, flood, landslide, volcanic eruption or fire (to the extent originating from a source external to the Project) affecting the construction or operation of the Project/Project Facilities and Services.
b) War, hostilities (whether war be declared or not), invasion, act of foreign enemies. Rebellion, revolution, insurrection, or military or usurped power, or civil war, Epidemic, famine

ii. If an event of Force majeure occurs, the Party affected by others inability to perform may opt (a) to terminate the agreement or (b) to suspend the agreement in whole or part for the duration of Force majeure circumstances. The Party experiencing the Force majeure circumstances and failing to perform shall cooperate with and assist the affected Party on all reasonable manners to minimize the impact of force majeure on the affected Party which may include locating and arranging substitute service or extending the due date of performance. No compensation shall be payable for termination or suspension on account of Force majeure during mutually agreed period of Force majeure.

I. ARBITRATION

i. Any dispute arising between the parties in connection with this Agreement shall be referred to a sole arbitrator appointed by the Managing Director, TAFCOFED, Chennai. The arbitration proceedings shall be conducted in accordance with the Arbitration and Conciliation Act, 1996, as amended from time to time. The seat and venue of arbitration shall be Chennai and the proceedings shall be conducted in English. The award of the arbitrator shall be final and binding on both parties.

ii. Any dispute or breach of the Lease Agreement arising out of or in connection with this Tender shall be governed by the laws applicable in the State of Tamil Nadu.

Annexure III

POLICY FRAME WORK – TERMS & CONDITIONS

1. The facility will be given on lease (the entire infrastructural facility with machinery, equipment shall be provided by TAFCOFED and the Successful Bidder should pay the charges of water and electricity and all other items which requires payment as well as the raw material, workers, refrigerant, spares and consumables, etc., shall be borne by the Successful Bidder.

2. The lease period shall be for the period of 3 years (36 months) from the date of execution and registration of the lease agreement.

3. The Plant shall not under any circumstances be kept idle (unless otherwise under extraordinary cases as may be accepted by the Authority) no claims for non-payment of the amount payable towards maintenance & repair, lease amount and other payments due during the idle period cannot to be claimed for exemption.

4. Sub-leasing full or partly a portion of the facility to others should not be carried out by Successful Bidder at any cost and any time, if found, the lease agreement will be terminated followed by legal action.

5. The approvals, including Factory Licence, MPEDA Registration, Pollution Control Board clearance and any other statutory clearance required from any Government authority, shall be obtained by the Successful Bidder at its own cost.

6. The liquid or solid waste materials will have to be removed from the premises on daily basis or after every shift and properly disposed off according to the priority Government rules and laws in force. Ice and melt water from the Plant shall be discharged through the designated drainage system properly. The fees to the Pollution Control Board, etc. statutory organizations / bodies are to be borne by the Successful Bidder.

7. The representative of TAFCOFED or their team has the right to inspect the facility and equipment at any point of time without issuing any notice.

8. Any other mandatory formalities regarding the Ice Plant also shall be complied by the Successful Bidder.

9. The premises shall be kept clean as per standard norms, to the satisfaction of TAFCOFED, and concerned approval authorities failing which appropriate action will be initiated to terminate the lease.

10. Only qualified, trained and experienced staff should be allowed to operate the respective machinery. Successful Bidder should keep an operational manual in local language and maintain shift operation register properly.

11. Staff or workers of the facility should not use the facilities for lodging purpose and are required to leave the premises after their shift duty.
